 Shanghai World Expo Exhibition & Convention Centre
 Hall2&4

The Leading Exhibition Dedicated in Medical Device Design and Manufacturing in China

ABOUT MEDTECH CHINA

Medtec China is one stop of global MedTechWorld series exhibitions, and it is the leading exhibition dedicated in Medical Device Design and Manufacturing in China. Medtec China aims to build a one-stop purchasing business service platform which provide medical design and R&D, raw materials, components, medical automation, OEM service, Testing and certification, market and regulation consulting, processing technology and manufacturing services to Medical device manufacturers.

Medtec China 2021 will be held on 1-3, September 2021 in Shanghai, expecting 500+ exhibitors, 40,000+ visitors, 1,700+ conference audiences and 80+ conferences and activities. You are welcome to join us.

WHY VISIT?

In the rapidly developing Medical Device industry of China, Medtec China presents the following opportunities:

- Access to more than 2,000 global suppliers of medical device design and manufacturing from Medtec World
- Access to advanced products/technologies/services for the medical design and manufacturing industry
- Resolve key technical challenges and problems in the processes of medical product development and manufacturing
- Optimize quality management and inspection technologies practice
- The opportunity to explore regulatory updates in China, the US and the EU
- Access to market trends and opportunities at the forefront of today

WHAT ARE EXHIBITS?

- R&D and Design Services
- Computing and Software
- Materials
- Adhesives and Adhesive Products
- Components
- Electronic Components
- Motors and Motion Control
- Pumps and Valves
- Filters and IV Products
- IVD
- Cleanrooms and Environmental Control
- Manufacturing Equipment
- Molding Services and Equipment
- Contract Manufacturing Services
- Tubing and Extrusion
- Surface Treatment
- Pharmaceutical equipment and services
- Testing, Metrology, Inspection and Calibration Equipment & Supplies
- Printing, Labelling, and Bar Coding
- Packaging and Sterilization
- Consultants

WHERE ARE INTERNATIONAL PAVILIONS FROM?

International Pavilions will be participated by companies from Germany, Singapore, Irish and Japan, where have worldwide reputation of high Medical technologies will demonstrate their cutting-edge exhibits to visitors. Don't miss the best opportunity of gaining new know-how.

Exhibitors List 2020 (Partial)

Medical Raw-Material	Medical Metals
Microtechnology	Medical Electronics
Medical Contract Manufacturing	Molding Services and Equipment
Filters and IV Products	Medical Sterilization and cleanrooms
Medical Components	Adhesives and Adhesive Products
Medical Automation	Medical Coating & Sealants
Medical Tubing and Extrusion	Medical Packaging
Quality Control	Consultants

Job Titles of Visitors

- Electronic engineer
- Mechanical engineer
- General manager
- QA manager
- R&D director
- Product line manager
- Structural designer
- Strategic Purchasing Manager
- R&D Manager
- group vice-president
- Process engineer
- QA
- Senior Purchasing Director
- Director of material Resources Section
- Senior Engineer

WHO VISIT?

Philips	B. Braun Medical	Double Medical Technology Inc.	Shinva United Orthopedic Corp.
GE	Telmo Medical Products (Hangzhou) Co. LTD	Bluesail Group	Shandong Shinva Medical
Medtronic (Shanghai) Ltd.	Baxter	Autobio	Shinva Surgical Instrument Co., Ltd.
United Imaging	Getinge	DJI Enterprise	TMEIC
Johnson & Johnson Medical (Shanghai) Ltd.	Fresenius Kab(i) (Nangchang) Medical Co. LTD	Allmed Medical Products Co., Ltd.	HAWK Company
Johnson & Johnson Medical (Suzhou) Ltd.	Fresenius Medical Products Co., Ltd.	Aohua Endoscopy Co., Ltd.	Beijing AmsinoMed Medical Co., Ltd.
Johnson & Johnson (China) Investment Co., LTD	Fresenius Medical Care (Shanghai) Co., Ltd.	Wego Orthopedic Materials Co. LTD	Beijing Pins Medical Co., Ltd.
Johnson & Johnson Medical (china) Ltd.	HONEYWELL	Suzhou Yuwell Technology Center	Beijing Tiandi Hexie Technology Co., Ltd.
BD Medical Devices (Shanghai) Co., Ltd.	MicroPort MedBot (Shanghai) Co., Ltd.	Jerome Biotechnology (china) Co., Ltd.	BYD Company Ltd.
Neusoft Corporation	MicroPort MedBot (Shanghai) Co., Ltd.	Lepu Medical Technology (Beijing) Co., Ltd.	BrosMed Medical Co., Ltd.
Boston Scientific Medical Device Co., Ltd.	Microport Neurotech (Shanghai) Co., Ltd.	Lepu Medical Electronics Technology Co., Ltd.	Bioconcept Medical Co., Ltd.
Smith & Nephew (Shanghai) Co., LTD	Microport Youtong (Jiaxing)	Yinyi (Liaoning) Biotech Co., Ltd.	Wego (Group) Co., Ltd.
Stryker (Suzhou) Medical Technology Co., Ltd.	Microport Youtong (Shanghai)	Shandong Weigao Group Medical Polymer Co., Ltd.	Wego Shanghai Institute
ZimmerBiomet (Changzhou)	Mindray Bio Medical Electronics Co., Ltd.	Shandong Wego Newlife Medical Devices Co., Ltd.	Lifetech Scientific (Shenzhen) Co., Ltd.

* Date from Medtec China 2020

ONSITE INDUSTRY EDUCATION – Get the latest news from keynote speakers

- Regulation Track**
 - Chinese Regulatory Updates and Compliance
- Quality Track**
 - Advanced Medical Device Life Cycle Risk Management
 - How to meet the quality requirements of products in overseas markets under the epidemic situation
- Market & Investment**
 - The 7th Market Report Track of Medical Device Industry
- Technology Track**
 - High polymer material application in Medical Device
 - 3D materials and technology application in Medical Device
 - The 6th Conference of Medical Device Design
 - Overseas advanced medical manufacturing technology
 - Plastic Molding Technology in Medical Device Manufacturing
 - Precision machining equipment and Technology Forum
 - The 8th IIMD China Summit-Implantable and Interventional Medical Device
 - Technology Development of New Type Medical Dressings
 - Quality Focus - Medical device life cycle risk management
 - Core component and technology Seminar of dental products
 - Seminar of advanced Technology of Medical Bonding and Welding
 - Advanced Active Medical Device Technical Forum
 - The 5th Session of Pack&Ster Hub
 - The 4th Advanced of Medical Device Manufacturing Technology Forum

VARIOUS ONSITE EVENTS – Gain technology and resource for free

Exhibitor theatre Here, exhibitors will share their latest products, technologies and trends related to medical device manufacturing. Visitors get the opportunities to interact with the world's leading suppliers face-to-face.	Regulatory Lecture In regulatory lecture, visitors can get the international regulatory information from exhibitors in regulatory zone, speakers are from renowned regulatory consultant companies.	Quality Focus This zone focuses on quality control and improvements in production, offers solutions for quality testing across different industries including medical device manufacturing, aviation, defense, precision instruments and electronic equipment.	MDEA 2021 MDEA is a major award program in the medical technology field, aiming to honor the highest quality medical devices. Visitors can learn about the Medical Design Excellence Awards (MDEA) in 2021 at Medtec China.
